COMPLEX BUSINESS LITIGATION

Will is involved in all facets of civil litigation before state and federal courts in North and South Carolina. He works with companies ranging in size from small local businesses to the Fortune 500 level on both the plaintiff and the defense side.

DATA PRIVACY

Will assists businesses with designing and implementing data privacy policies. He also helps companies experiencing breach events with the response and notification process, often coordinating efforts across multiple states.

MUNICIPAL GOVERNANCE & LAND USE

Will advises local governments on a wide range of issues including open meetings law, parliamentary procedure, and labor and employment issues. Will also assists developers, business owners and local governments in navigating the often complex field of land use law. His work includes land-use litigation, eminent domain and zoning cases, and planned community development.
