MY PRACTICE

ENVIRONMENTAL LITIGATION

Joey represents businesses in a wide variety of environmental litigation matters such as NPDES and Clean Water Act permitting, NEPA, SPCA, and civil penalty assessments. He also represents clients in cleanup disputes between responsible parties, and in insurance disputes over coverage for environmental contamination. He has extensive experience representing clients in contested cases before administrative bodies, as well as in trial and appellate courts, both state and federal.

ENVIRONMENTAL LAW

Joey works with state and federal agencies and advises clients on various environmental issues, including Clean Air Act and Clean Water Act permits, underground storage tanks, contaminated property, and land use. He has represented developers, municipalities, natural resource sector companies, and a range of other businesses.

BUSINESS LITIGATION

Joey represents clients in a wide range of complex business disputes, including issues related to banking, construction, Unfair and Deceptive Trade Practice claims, land use, and quiet title actions. He regularly appears before administrative, trial, and appellate courts. Joey is also experienced in alternative dispute resolution, including arbitration of large-scale public construction projects.

HEALTH CARE

Joey represents clients in health care litigation, including Medicaid Waiver disputes with LME/MCOs, and licensing and penalty disputes with DHHS. In this capacity, he regularly appears before the Office of Administrative Hearings, and has extensive experience working and negotiating with regulators.
