Stephen Hartzell, a partner in the Raleigh office of Brooks Pierce, will be a panelist at WRAL TechWire's Executive Exchange event "First In Flight: The Ups & Downs of Drone Technology" on Tuesday, Jan. 26 from 4-6 p.m. The panel will focus on the business opportunities and legal challenges of drone use. The event will also feature demonstrations of the latest drone technology.

Hartzell will provide insight on the legal implications of drone use and the changing regulatory environment around the technology. He speaks frequently on the topic.

WRAL/TechWire's Executive Exchange will take place at the PNC Triangle Club at Durham Bulls Athletic Park. More information about the event and a link to register can be found [here](#).
