The 2019 edition of *Benchmark Litigation's* "40 & Under Hot List" recognized Brooks Pierce partner Clint Morse as a leader in the legal profession for the third straight year. The award recognizes the achievements of the nation's most accomplished legal partners aged forty or younger. *Benchmark Litigation* employs a thorough process of peer review and matter examination to select the annual list.

Morse is an experienced litigator who thrives in the courtroom. He primarily represents clients in bankruptcy and debtor/creditor matters, but also represents clients in matters involving securities, intellectual property and various corporate disputes.

Benchmark Litigation is the only legal directory to focus exclusively on litigation. The editorials and rankings published in its annual guides are the product of a four-to-six month research process that involves extensive interviews with litigators and clients and an examination of recent casework handled by law firms.
